**HOT VERSUS COLD LUNCHES**

Daily in Toddlers and Preschool, our teachers serve lunches packed for all the children at Imagine That Daycare. Please consider, when possible, to pack a cold lunch for your child.

Each lunch that takes more than 3 minutes to prepare, reduces the time staff can spend helping the other children. Example: If a lunch takes 3 minutes to heat/cook and another 7 minutes to cool down enough to eat - and if 5 children have lunches this time-intensive - it requires almost half the lunch break to be spent cooking food.

We understand that a cold lunch is not always possible, but appreciate any awareness this brings to making lunch time run a little smoother.

Sandwiches day-in and day-out can be boring... check out this great lunch ideas:

**DAYCARE IS CLOSED: MARCH 11TH**

*We will be having our in-house teacher training in-service day. We appreciate you making other arrangements for your children on Friday.*
